(I) Get a little warm in my heart when I
for the sun

Years go by and I'm

(I) Put my hand in my
here still waiting
withering where some
father's glove

snow man was

I run off where the drifts get deeper

Mirror mirror where's the crystal palace
Sleeping Beauty trips me with a frown

But I only can see myself

(1) Hear a voice, you must learn to stand up

Skating around the truth who I am
for yourself (cause) I can't always be around

But I know, Dad (The) lee is getting thin

When you gonna make up your mind

Doo doo doo When you gonna love you as much

When you gonna make up your mind

Doo doo doo When you gonna love you as much
as I do
When you gonna make up your mind

Cause things are gonna change so fast
Doo doo doo doo Things they chain chain change so
